Tools in the Digital Age”**

Collaboration with

SCROLLWELL

ABOUT IAMR

IAMR Group began as an educational institute in the early 2000s, revamping traditional educational techniques and focusing on innovation. It sent shockwaves through the educational sector, allowing IAMR Group to position itself as one of the industry's leaders. The organization is now a multi-faculty educational cluster that offers a wide range of courses, including engineering, management, health sciences, information technology, education, and law, to name a few. IAMR Group's vision and commitment to educational quality can be seen in the Institute of Applied Medicine and Research, Institute of Advanced Management and Research, Institute of Technology and Management, IAMR B.ED College, and IAMR Law College. IAMR Group's stated goal is to integrate education with entrepreneurship.

VISION

IAMR aspires to be a national leader in graduate and postgraduate education, recognized for the success of our students and alumni, our innovative faculty and staff, and our local, national and international partnership.

MISSION

IAMR inspires intellectual and personal growth in the students, preparing them for meaningful and ethical contribution to a diverse global society.

OVERVIEW OF FDP

With the transition of teaching-learning to online mode, E-content is gaining popularity among learners and educators and has become an essential skill for all faculties and educators for taking their teachings online and educating better with digital tools.

Students and learners are more inclined to find the education and learning resources on the internet and the recent acceleration in the online learning and teaching has given a boost to the popularity of E-content development and MOOCs have been the driving part of online learning content. With a plethora of digital tools and services the education can be taken to a next level for making content that gives students an easy to grasp informative content. This FDP is designed with the objective to keep the educators and faculty with the pace of growing trends in education.

FOCUSED AUDIENCE

This FDP is going to be immensely beneficial to faculty of all levels and in different disciplines.

After completing this program, faculty will be able to Efficiently Manage and Evaluate Assignments, Tests, assigned work and Student Reports. Educate and Engage Students classes online with live Classes.
