07 Days FDP on Innovative Teaching Strategies and Tools in the Digital Age

Overview of FDP: Immersive Faculty Development Program (FDP) designed to equip educators with the essential skills and knowledge needed to excel in the modern educational landscape. Over the course of our comprehensive program, participants will delve into innovative teaching strategies and cutting-edge tools tailored for the digital age. Through dynamic workshops, hands-on activities, and expert guidance, educators will not only enhance their pedagogical practices but also harness the power of technology to create engaging and effective learning experiences for their students.

Key Highlights:

- 07 Days of structured, intensive learning aligned with modern teaching trends.
- Live interactive sessions with hands-on practice through Zoom.
- Module-wise assignments, assessments, and digital certifications.
- Training on free and open-source tools for teaching and content creation.
- Practical demonstrations on quizzes, polls, reports, certificates, and classroom engagement tools.
- Access to session recordings (if applicable) for continued learning.

Focus Areas:

- Interactive pedagogy for modern classrooms.
- Designing self-paced and instructor-led digital courses.
- Creating live polls, quizzes, Q&A, and student analytics.
- Embedding web elements into presentations and digital lessons.
- Using free tools to design interactive and visually appealing content.
- Collaboration, file sharing, and classroom management using Google Workspace.
- Practical skills in MS Word, Excel, PowerPoint, and poster/brochure design.
- Managing virtual classrooms using Zoom & Google Meet.
- Safe online test creation, reporting, certificates, and evaluations.
- Mind mapping and AI-assisted writing for error-free content.

Outcome:

By the end of this FDP, participants will be able to apply modern teaching strategies, create interactive digital lessons, and design engaging presentations using free online tools. They will learn to conduct quizzes, polls, and assessments, manage virtual classrooms effectively, and use essential tools like MS Office and Google Workspace with confidence. Participants will also gain skills in poster design, mind mapping, and AI-assisted writing—enabling them to enhance classroom engagement and deliver more impactful learning experiences.

Star-Merit System

The Star-Merit System promotes consistent learning, accountability, and engagement, while providing faculty with clear metrics to support participants' success.

It evaluates individuals across key performance indicators—attendance, assignment completion, engagement, and overall participation—ensuring recognition is based on measurable, sustained effort.

Category	What It Means	Weight
Attendance	Are you showing up on time?	25%
Engagement	Do you participate in class?	25%
Assignments	Are you submitting good work on time?	30%
Activeness	Do you help others or take initiative?	20%

Scoring Method

Each area is rated on a scale of 1 to 5. Use this weighted formula:

Final Score =

$(\text{Attendance} \times 0.25) + (\text{Engagement} \times 0.25) + (\text{Assignments} \times 0.30) + (\text{Activeness} \times 0.20)$

Certificate of Completion
