OVERVIEW OF FDP

The 14 Day National FDP on Innovative Teaching Strategies and Tools in the Digital Age is designed to help educators enhance teaching effectiveness through modern pedagogical approaches and digital tools. The programme focuses on building interactive, learner-centric classrooms while enabling faculty to design engaging course content, conduct effective online sessions, and implement modern digital assessment practices. Through guided demonstrations and practical sessions, participants will learn to integrate technology, collaboration platforms, and innovative instructional methods to improve teaching, learning outcomes, and academic productivity.

Key Highlights:

- Live interactive sessions with guided demonstrations and practical applications
- Exposure to innovative pedagogical strategies for modern classrooms
- Hands-on use of digital teaching tools and open-source educational resources
- Techniques for creating engaging presentations, course materials, and assessments
- Strategies for conducting interactive online and hybrid classes
- Ready-to-use teaching templates, tools, and resource materials
- Certificate of Participation upon successful completion
- Access to learning resources and workshop materials

Focused Audience: This FDP will be highly beneficial for faculty members across disciplines and experience levels. After completing the program, participants will be able to efficiently manage assignments, assessments, and student reports while conducting engaging and interactive online classes.

Mode of Delivery: Resource persons will deliver sessions in an interactive format and conduct hands-on workshop activities through the Zoom video conferencing platform.

Confirmation of Participation: On receipt of registration, participants will be sent confirmation of their participation through email. Participation for this program is limited; therefore, participants are encouraged to register early.

Learning Outcome Test: A short learning outcome test will be conducted after the session to revise what is learned. Certificates will be shared to participants attending both the session and the test.

Bonus: As an added benefit, participants will receive recorded session videos, step-by-step learning guides, curated learning resources, and helpful e-books for continued self-learning.

Star-Merit System

The Star-Merit System promotes consistent learning, accountability, and engagement, while providing faculty with clear metrics to support participants' success.

It evaluates individuals across key performance indicators—attendance, assignment completion, engagement, and overall participation—ensuring recognition is based on measurable, sustained effort.

Category	What It Means	Weight
Attendance	Are you showing up on time?	25%
Engagement	Do you participate in class?	25%
Assignments	Are you submitting good work on time?	30%
Activeness	Do you help others or take initiative?	20%

Scoring Method

Each area is rated on a scale of 1 to 5. Use this weighted formula:

Final Score =

$(\text{Attendance} \times 0.25) + (\text{Engagement} \times 0.25) + (\text{Assignments} \times 0.30) + (\text{Activeness} \times 0.20)$

Certificate of Completion

This certificate is awarded to
