07 Days FDP on AI-Powered Teaching & Academic Productivity

The Faculty Development Program on AI-Powered Teaching & Academic Productivity is designed to equip faculty members, educators, and researchers with practical skills to integrate AI tools into their daily academic workflows. As education rapidly evolves with the adoption of AI technologies, this program focuses on enabling participants to automate routine tasks, enhance content creation, and improve overall productivity. The program is completely non-technical in nature, making it accessible to individuals with no prior experience in AI or coding, while emphasizing hands-on learning and real-world academic use cases.

Key Highlights:

- Live interactive sessions with hands-on demonstrations
- Focus on real-world academic workflow automation
- Mastering prompt engineering for effective AI usage
- Rapid creation of notes, presentations, and teaching materials
- Automated question paper and assessment generation
- Enhancing academic writing and professional communication
- Data handling, reporting, and Excel automation using AI
- Case-based learning with practical applications
- E-Certificate of Completion and learning resources

Focus Areas:

- Smart Prompting & AI Interaction Mastery
- Academic Content Creation & Material Development
- Presentation & Visual Content Automation
- Assessment & Question Generation Systems
- Academic Writing & Communication Enhancement
- Data Analysis, Excel & Report Automation

Star-Merit System

The Star-Merit System promotes consistent learning, accountability, and engagement, while providing faculty with clear metrics to support participants' success.

It evaluates individuals across key performance indicators—attendance, assignment completion, engagement, and overall participation—ensuring recognition is based on measurable, sustained effort.

Category	What It Means	Weight
Attendance	Are you showing up on time?	25%
Engagement	Do you participate in class?	25%
Assignments	Are you submitting good work on time?	30%
Activeness	Do you help others or take initiative?	20%

Scoring Method

Each area is rated on a scale of 1 to 5. Use this weighted formula:

Final Score =

$(\text{Attendance} \times 0.25) + (\text{Engagement} \times 0.25) + (\text{Assignments} \times 0.30) + (\text{Activeness} \times 0.20)$

Certificate of Completion

This certificate is awarded to
