About *Scrollwell.*

Scrollwell is a dynamic and emerging organization in the education sector, dedicated to strengthening the education system and providing expertise in live training for professional development. Our commitment to excellence is reflected in our successful series of Faculty Development Programs for Digital Literacy, which have reached over 61000 faculties from July 2020 to May 2026.

At Scrollwell, we recognize the challenges posed by teachers in the digital era, and our team of experts is dedicated to equipping educators with the latest knowledge and skills to deliver effective education. Our training programs are meticulously designed to cater to the diverse needs of professionals and learners, covering themes such as Engineering, Education, Start-up, and Entrepreneurship.

Our mission is to bridge the technological gap in education and empower those who shape the future.

We are recognized by esteemed organizations including **Startup India, MSME and Skill India Supported by Start-up Bihar** and the Centre for Innovation, Incubation & Legal Entrepreneurship, Chanakya National Law University, Patna.

14-Day National Faculty Development Programme (FDP)

AI-Powered Academic Research, Publication Excellence & Research Productivity

The 14-Day National FDP on AI-Powered Academic Research, Publication Excellence & Research Productivity is a comprehensive programme designed to equip educators, researchers, and academic professionals with advanced AI-enabled approaches for research discovery, literature review, academic writing, publication strategy, and scholarly productivity. Participants will learn how to leverage artificial intelligence across the research lifecycle, enhance manuscript quality, navigate publication pathways, strengthen research visibility, and develop competitive funding proposals. Through expert-led sessions, practical demonstrations, and real-world applications, the programme aims to improve research efficiency, publication success, and academic impact.

Key Highlights:

- Live sessions with practical demonstrations and real-world applications
- AI-powered approaches for research discovery and academic productivity
- Research gap identification and literature review techniques
- Academic writing and manuscript development strategies
- Research data interpretation, visualization, and insight generation
- Journal selection and publication planning for indexed journals
- Reference management and citation excellence
- Publication ethics, plagiarism prevention, and peer-review guidance
- Research funding opportunities and grant proposal development
- Research visibility, academic branding, and citation enhancement
- E-Certificate of Completion and learning resources

Outcome – Participants will leave the FDP with:

- A strong understanding of AI-enabled research practices
- Enhanced ability to identify research gaps and emerging opportunities
- Skills to conduct effective literature reviews and evidence synthesis
- Improved academic writing and manuscript development capabilities
- Knowledge of publication strategies and journal selection processes
- Ability to interpret, visualize, and communicate research findings effectively
- Understanding of publication ethics and peer-review processes
- Practical insights into grant proposal development and funding opportunities
- Strategies to enhance research visibility, citations, and academic impact
- Increased research productivity through AI-assisted workflows

TOPICS TO BE COVERED

Module 1: Research in the Age of AI

- Overview of artificial intelligence in academic research and higher education
- Understanding the modern research lifecycle
- Opportunities, limitations, and responsible use of AI in research

Module 2: Research Topics & Gap Identification

- Identifying emerging research areas and trends
- Finding publishable research problems and opportunities
- AI-assisted research gap analysis and topic refinement

Module 3: Literature Review & Evidence Synthesis

- Smart literature search strategies
- Systematic literature review approaches
- Literature synthesis, research mapping, and evidence organization

Module 4: AI-Powered Research Productivity

- Advanced AI applications for academic research
- Research automation and workflow optimization
- Enhancing efficiency across the research process

Module 5: Academic Databases & Research Discovery

- Exploring scholarly databases and indexing platforms
- Citation tracking and research impact analysis
- Identifying influential studies and emerging trends

Module 6: Reference Management & Citation Excellence

- Organizing and managing scholarly references
- Citation styles, formatting, and bibliography development
- Building efficient research documentation practices

Module 7: Research Data, Insights & Visualization

- Understanding research data and evidence
- Basic data analysis and interpretation concepts
- Visualizing findings and generating meaningful insights

Module 8: Academic Writing with AI

- Structuring high-quality research manuscripts
- Developing abstracts, introductions, and literature reviews
- Maintaining originality and academic writing standards

Module 9: Manuscript Development & Research Communication

- Writing results, discussions, and conclusions
- Creating effective tables, figures, and visual summaries
- Communicating research findings for maximum impact

Module 10: Scopus Publications & Journal Selection

- Understanding journal indexing and quality indicators
- Publication planning and journal selection strategies
- Identifying predatory journals and publication risks

Module 11: Publication Ethics & Peer Review

- Research integrity and ethical publishing practices
- Plagiarism prevention and responsible AI use
- Managing peer review feedback and manuscript revisions

Module 12: Grant Writing & Research Funding

- Overview of research funding opportunities
- Components of successful grant proposals
- Developing compelling and competitive funding applications

Module 13: Research Visibility & Academic Branding

- Building a professional researcher profile
- Citation enhancement and research visibility strategies
- Academic networking and scholarly communication

Module 14: Future of AI-Powered Research

- Intelligent research workflows and automation
- Emerging trends in AI-enabled scholarship
- Best practices for sustainable and responsible AI adoption

The AI-Enabled Research Lifecycle: Analysis, Writing & Publication

Star-Merit System

The Star-Merit System promotes consistent learning, accountability, and engagement, while providing faculty with clear metrics to support participants' success.

It evaluates individuals across key performance indicators—attendance, assignment completion, engagement, and overall participation—ensuring recognition is based on measurable, sustained effort.

Category	What It Means	Weight
Attendance	Are you showing up on time?	25%
Engagement	Do you participate in class?	25%
Assignments	Are you submitting good work on time?	30%
Activeness	Do you help others or take initiative?	20%

Scoring Method

Each area is rated on a scale of 1 to 5. Use this weighted formula:

Final Score =

$(\text{Attendance} \times 0.25) + (\text{Engagement} \times 0.25) + (\text{Assignments} \times 0.30) + (\text{Activeness} \times 0.20)$

Certificate of Completion

This certificate is awarded to

JAYA SIKDER

from

NATIONAL INSTITUTE OF TECHNOLOGY DURGAPUR

has successfully completed the **07 Days Faculty Development Program on "Non - Parametric Data Analysis using SPSS"**. The program was held from **May 19 – 25, 2025**.
and was hosted by **Scrollwell**.

Star-Merit System

Rating	Performance	Criteria Overview
1.0 ★	Very Poor	<ul style="list-style-type: none">- Rarely attends sessions- No meaningful engagement- Assignments mostly missing- Passive presence, if any
1.5 ★½	Poor	<ul style="list-style-type: none">- Infrequent attendance- Limited interaction- Few assignments submitted- Occasionally responsive
2.0 ★★	Below Average	<ul style="list-style-type: none">- Attends irregularly- Minimal participation- Late or incomplete submissions- Shows some signs of interest
2.5 ★★½	Low Average	<ul style="list-style-type: none">- Attends over 50% of sessions- Sporadic engagement- Most assignments submitted but without depth- Limited but improving involvement
3.0 ★★★	Average	<ul style="list-style-type: none">- Regular attendance- Participates when prompted- Submits assignments on time with basic quality- Shows consistency but lacks initiative
3.5 ★★★½	Fairly Good	<ul style="list-style-type: none">- Above-average attendance- Engages occasionally on own- Assignments meet expectations- Demonstrates increasing initiative
4.0 ★★★★	Good	<ul style="list-style-type: none">- Consistent attendance- Active in discussions and activities- High-quality assignment submissions- Often takes lead or helps peers
4.5 ★★★★½	Very Good	<ul style="list-style-type: none">- Nearly full attendance- Proactively engages in learning- Assignments show depth and originality- Acts as a motivator or role model
5.0 ★★★★★	Excellent	<ul style="list-style-type: none">- 100% attendance- Highly engaged in all sessions- Consistently exceptional assignments- Fully active, collaborative, and adds value to the group

Scrollwell Advantage

Intuitive & Detailed Explanations

"Inspiring lectures with clear, concise, and engaging explanations."

HD Videos + Crystal Clear Audio

"High-quality videos with clear audio for optimal viewing experience."

Practice Exercises, Real-Time Feedback

"Improve skills with interactive exercises and instant feedback."

Lifetime Access, Pocket Friendly

"Long-term value with budget-friendly options for continued access."

Project-based learning

"Hands-on learning through practical projects and real-world application."

Star-rated Completion Certificate

"Official recognition of completion for added credibility and motivation."
