About *Scrollwell.*

Scrollwell is a dynamic and emerging organization in the education sector, dedicated to strengthening the education system and providing expertise in live training for professional development. Our commitment to excellence is reflected in our successful series of Faculty Development Programs for Digital Literacy, which have reached over 61,000 faculties from July 2020 to May 2026.

At Scrollwell, we recognize the challenges posed by teachers in the digital era, and our team of experts is dedicated to equipping educators with the latest knowledge and skills to deliver effective education. Our training programs are meticulously designed to cater to the diverse needs of professionals and learners, covering themes such as Engineering, Education, Start-up, and Entrepreneurship.

Our mission is to bridge the technological gap in education and empower those who shape the future.

We are recognized by esteemed organizations including **Startup India, MSME and Skill India Supported by Start-up Bihar** and the Centre for Innovation, Incubation & Legal Entrepreneurship, Chanakya National Law University, Patna.

**STARTUP
BIHAR**

DKTE's Textile & Engineering Institute, Ichalkaranji, is an empowered autonomous institution affiliated with Shivaji University, Kolhapur. Established in 1982, the institute has earned a distinguished reputation for excellence in engineering and technology education, research, innovation, and industry collaboration. Offering Diploma, Undergraduate, Postgraduate, Doctoral, and MBA programmes across diverse disciplines, DKTE serves over 4,000 students with the support of 215+ dedicated faculty members.

The institute is NAAC accredited with an A+ Grade in two consecutive cycles, with all eligible undergraduate programmes accredited by the NBA, including a six-year accreditation for one programme. Recognized as a three-time winner of the Best Industry-Linked Engineering Institute award by AICTE-CII, DKTE has also secured over ₹60 crore in government-funded research projects. With 29 international university partnerships, collaborations with more than 100 industries, a 4-Star Institution Innovation Council (IIC) rating, and recognition as a mentor institution under AICTE and UGC quality initiatives, DKTE continues to be a leading centre for academic excellence, innovation, entrepreneurship, and industry-oriented education.

07 Days FDP on Research Mastery: Scopus, SLR & Citation Management

The Faculty Development Program on Research Publication Mastery: Scopus, SLR & Citation Management is designed to equip faculty members, researchers, scholars, and postgraduate students with the knowledge and practical skills required to publish high-quality research in reputed journals. The program provides a step-by-step understanding of the research publication process, from identifying research gaps and conducting systematic literature reviews (SLRs) to selecting suitable Scopus-indexed journals, managing references, and navigating the peer-review process. With a strong emphasis on hands-on learning and real-world research practices, participants will gain the confidence to enhance the quality, visibility, and impact of their scholarly publications.

Key Highlights

- Live interactive sessions with hands-on demonstrations
- Understanding the Scopus publication ecosystem and journal metrics
- Systematic Literature Review (SLR) using the PRISMA framework
- Advanced literature search and evidence synthesis using Scopus
- Hands-on training in Mendeley and Zotero
- Research manuscript writing and publication ethics
- Journal selection, manuscript submission, and peer-review strategies
- E-Certificate of Completion and learning resources

Focus Areas

- Scopus Publication & Journal Selection
- Research Gap Identification & Study Design
- Systematic Literature Review (SLR)
- Literature Search & Evidence Synthesis
- Reference & Citation Management
- Research Manuscript Writing
- Journal Submission & Publication Strategy

Outcome – Participants will leave the FDP with:

- Understand the Scopus publication ecosystem.
- Conduct systematic literature reviews effectively.
- Search and synthesize research using Scopus.
- Manage references with Mendeley and Zotero.
- Write and publish high-quality research papers.
- Select suitable journals and avoid predatory publishers.
- Build a sustainable research publication strategy.

TOPICS TO BE COVERED

Day 1: Understanding the Research Publication Ecosystem

- Overview of academic research and scholarly publishing
- Importance of Scopus-indexed publications
- Understanding Scopus metrics: CiteScore, SJR, SNIP, Quartiles
- Identifying quality journals for publication
- Recognizing and avoiding predatory journals
- Research publication trends and opportunities

Day 2: From Research Idea to Publication

- Identifying research gaps
- Developing research questions and objectives
- Converting ideas into publishable studies
- Building a conceptual framework
- Exploring emerging research themes
- Aligning research with publication goals

Day 3: Foundations of Systematic Literature Review (SLR)

- Introduction to Systematic Literature Review
- Traditional Review vs. Systematic Review
- Importance of evidence-based literature synthesis
- Understanding the PRISMA framework
- Developing review protocols
- Defining inclusion and exclusion criteria

Day 4: Literature Search and Evidence Synthesis Using Scopus

- Designing effective literature search strategies
- Keyword selection and search string development
- Using Boolean operators and advanced search techniques
- Retrieving literature from Scopus
- Screening and selecting relevant studies
- Organizing and synthesizing research evidence

Day 5: Reference Management with Mendeley and Zotero

- Introduction to reference management tools
- Setting up Mendeley and Zotero
- Importing and organizing references
- Managing PDFs, notes, and annotations
- Citation styles and formatting requirements
- Generating in-text citations and bibliographies

Day 6: Writing a High-Quality Research Manuscript

- Structure of a research paper
- Writing effective titles, abstracts, and keywords
- Developing the introduction and literature review
- Presenting results and discussion effectively
- Publication ethics and plagiarism awareness
- Responsible use of AI tools in academic writing

Day 7: Journal Submission, Peer Review and Publication Strategy

- Selecting the right journal
- Understanding journal guidelines
- Manuscript submission process
- Peer-review workflow
- Responding to reviewer comments
- Publication timelines and indexing
- Building a long-term research publication roadmap

Star-Merit System

The Star-Merit System promotes consistent learning, accountability, and engagement, while providing faculty with clear metrics to support participants' success.

It evaluates individuals across key performance indicators—attendance, assignment completion, engagement, and overall participation—ensuring recognition is based on measurable, sustained effort.

Category	What It Means	Weight
Attendance	Are you showing up on time?	25%
Engagement	Do you participate in class?	25%
Assignments	Are you submitting good work on time?	30%
Activeness	Do you help others or take initiative?	20%

Scoring Method

Each area is rated on a scale of 1 to 5. Use this weighted formula:

Final Score =

$(\text{Attendance} \times 0.25) + (\text{Engagement} \times 0.25) + (\text{Assignments} \times 0.30) + (\text{Activeness} \times 0.20)$

Certificate of Completion

This certificate is awarded to

JAYA SIKDER

from

NATIONAL INSTITUTE OF TECHNOLOGY DURGAPUR

has successfully completed the **07 Days Faculty Development Program on "Non - Parametric Data Analysis using SPSS"**. The program was held from **May 19 – 25, 2025**, and was hosted by **Scrollwell**.

Star-Merit System

Rating	Performance	Criteria Overview
1.0 ★	Very Poor	- Rarely attends sessions - No meaningful engagement - Assignments mostly missing - Passive presence, if any
1.5 ★½	Poor	- Infrequent attendance - Limited interaction - Few assignments submitted - Occasionally responsive
2.0 ★★	Below Average	- Attends irregularly - Minimal participation - Late or incomplete submissions - Shows some signs of interest
2.5 ★★½	Low Average	- Attends over 50% of sessions - Sporadic engagement - Most assignments submitted but without depth - Limited but improving involvement
3.0 ★★★	Average	- Regular attendance - Participates when prompted - Submits assignments on time with basic quality - Shows consistency but lacks initiative
3.5 ★★★½	Fairly Good	- Above-average attendance - Engages occasionally on own - Assignments meet expectations - Demonstrates increasing initiative
4.0 ★★★★★	Good	- Consistent attendance - Active in discussions and activities - High-quality assignment submissions - Often takes lead or helps peers
4.5 ★★★★★½	Very Good	- Nearly full attendance - Proactively engages in learning - Assignments show depth and originality - Acts as a motivator or role model
5.0 ★★★★★★	Excellent	- 100% attendance - Highly engaged in all sessions - Consistently exceptional assignments - Fully active, collaborative, and adds value to the group

Scrollwell Advantage

Intuitive & Detailed Explanations

"Inspiring lectures with clear, concise, and engaging explanations."

HD Videos + Crystal Clear Audio

"High-quality videos with clear audio for optimal viewing experience."

Practice Exercises, Real-Time Feedback

"Improve skills with interactive exercises and instant feedback."

Lifetime Access, Pocket Friendly

"Long-term value with budget-friendly options for continued access."

Project-based learning

"Hands-on learning through practical projects and real-world application."

Star-rated Completion Certificate

"Official recognition of completion for added credibility and motivation."
